

In the second reported fight, there was a dispute over another boy's pencil. A fight ensued because of it. Both boys wrote statements on the incident. Both boys received In-School Suspension.

G. Dunaire school officials followed the DCSS's Code of Conduct by enforcing discipline pursuant to its policies and procedures.

H. Jaheem was involved in two (2) unreported fights. In one fight, on an unknown date in December, 2008, Jaheem and one other boy were "play fighting." They then started fighting "for real" until they grew tired. Both boys returned to the lunchroom and never reported the fight.

In another fight, said to have occurred just prior to the Valentine's Day Party, one boy, who now claims to have been Jaheem's best friend, is said to have fought Jaheem and to have placed him in a chokehold. Another boy, who also claims to have been Jaheem's best friend, said that he intervened and broke up that fight.

Neither of these fights was reported to school officials. These incidents were reported to the Independent Investigator during the course of this investigation.
