

PAGE 2: Million Dollar Makeover, continued

There is more than new accoutrements. General manager TJ Jarrell explains that Torch Theaters has adopted new processes to make the whole experience more enjoyable. "We've combined the ticket counter with the concessionary. You buy the tickets and popcorn at the same time, all indoors, all at one time," said Jarrell.

Hundreds of enthusiastic movie goers attended the official ribbon cutting ceremony and enjoyed a free movie as a part of the celebration, hosted in part by the DeKalb County Office of Economic Development, which assisted in the project management of the renovations.

From Left: Owner **Tony Overpeck**, General Manager **TJ Jarrell**, Sr. Project Manager **Rolanda Daniel Thomas**, Development Authority Chairman **Dr. Eugene P. Walker**, District 5 Commissioner **Lee May** with daughter **Ryann May**

DeKalb District 5 Commissioner Lee May led the event, with best wishes for the new owners. "Everyone has done an outstanding job with all of the upgrades. Spread the word and tell everyone about what you see here," said May. "We want this theater to succeed."

The newly remodeled box office/concession combo cuts the wait in line 50 percent
