To whom it may concern,

This letter is to affirm the intentions of our company, Abundant Living Homes, Inc. and Georgia Modular, also now or formerly Patriot Homes. We at Abundant Living Homes, Inc are in the process of several projects that will span over the next two to three years. One of which is in the Augusta Georgia area consisting of 84 units. Another will be in the city of East Point Georgia with approx. 25 units. In Columbus and Albany areas we are looking at two other projects that will total around 200 units.

The next few years look very promising for us and we intend to use Georgia Modular, or Patriot as the main supplier for these homes.

If you have any questions please call I would love to talk to you about it.
